

# **GANGA INTERNATIONAL SCHOOL**

## **TECHNO TIMES**

**Technology plays a vital role in a student's life.**

The students apply knowledge to analyse information, collaborate, solve problems, and make decisions. Keeping this in mind, **Techno Times Activity** was organised in the **Middle School** on 21st January 2022. The students made Innovative Online Posters according to the theme:

**Save Earth, Save Resources**

All the students of classes VI-VIII participated in the activity. They shared their knowledge, ideas, creativity in the Online Posters. The criteria for the judgement were content presentation, creativity, originality and overall designing.
