Dear Creative Minds,

As we prepare to celebrate Janmashtami, we immerse ourselves in the enchanting world of Lord Krishna, a divine figure whose life and teachings have transcended time and continue to inspire generations. Among the many facets of his awe-inspiring persona, his mastery over 16 skills stands out as a testament to his versatility and dedication to excellence. In Lord Krishna, we find the embodiment of perfection. His expertise spanned various domains, from the arts and sciences to diplomacy and warfare. He was not just a master of one skill; he was a virtuoso in sixteen! This profound achievement should serve as a reminder that mastery is not a product of chance but a result of relentless pursuit and dedication. Krishna's mastery over skills was not confined to the physical realm alone. His wisdom and eloquence were as mesmerizing as his divine flute melodies. This tells us that true mastery encompasses not just the external, but also the internal; it involves not only physical prowess but intellectual and spiritual growth. Yet, what makes Lord Krishna truly exceptional is not just his mastery but his unwavering spirit in the face of adversity. Life, like a tempestuous river, threw countless trials and tribulations his way, but Krishna remained undaunted. He teaches us the invaluable lesson that true strength lies in one's ability to maintain equanimity in the face of adversity. In our journey through life, we may encounter storms, but like Krishna, we must stand tall and resolute. The trials we face are opportunities for growth, for they shape our character and help us evolve into better versions of ourselves. As we reflect on Lord Krishna's life, let us draw inspiration from his mastery, his unwavering spirit, and his boundless love for humanity. Let his life story ignite the flames of creativity within us. Dear students, share your creative creations in art, poetry, and writing for our magazine. Let your talents shine, and let your words and expressions inspire others. In the canvas of your imagination, paint the hues of wisdom and virtue, and let your creativity flow like the melodious tunes of Krishna's flute.

Together, let us create inspiration that reflects the brilliance of our young minds.

With the anticipation of your creative contributions and the spirit of Krishna as our guiding light, let us embark on this journey of artistic and literary exploration.

PRINCIPAL'S DESK

Dear Readers,

As we embrace the enchanting month of September, our hearts resonate with the melodious tunes of Krishna's flute, while our minds are enriched by the profound wisdom derived from his divine life. September also brings with it the celebration of Teacher's Day, a day to commemorate the birth anniversary of Dr. Sarvpalli Radhakrishnan, the esteemed philosopher and India's second President. In this month, we pay tribute not only to him but also to the dedicated mentors who illuminate the path of knowledge for us.

Krishna Janmashtami, the birth of Lord Krishna, is another significant event in September. Lord Krishna, the embodiment of wisdom, courage, and righteousness, provides us with ample inspiration through his life and teachings.

The life of Lord Krishna is a rich tapestry of invaluable lessons. His teachings in the Bhagavad Gita, where he imparts profound knowledge and guidance to Arjuna on the battlefield of life, are particularly enlightening. Just as Arjuna faced challenges and dilemmas, we too encounter hurdles in our own journeys. Take a cue from Krishna's counsel to remain steadfast in your resolve and to diligently perform your duties. Remember, the path to success is paved with hard work, discipline, and unwavering focus.

Krishna's mesmerizing tunes on his divine flute symbolize the harmony that resonates throughout the universe. Each note carries the message that life is a symphony, and we are the composers of our destiny. So, as you navigate through the myriad experiences of life, remember that you hold the power to create a beautiful melody out of your efforts. Embrace challenges as opportunities, and let your knowledge flow like the melodious tunes from Krishna's flute. Just as Krishna protected Dharma, stand firm in your principles, and let them guide your actions.

As we move forward, let us maintain our focus and discipline, as virtues that shape our character. May the divine melodies of Krishna's flute continue to inspire you in your life's journey, and may your efforts bear fruit as sweet and nourishing as the teachings of the Lord himself.

Wishing you all the best in your endeavors as we embark on this beautiful month of September!

Best Wishes

AN EXCITING EXCURSION TO AMRITSAR

The excursion to Amritsar, organized for a group of students and teachers, proved to be an enriching and memorable experience. The excursion kicked off with an exhilarating visit to Jallianwala Bagh, a somber historical site which evoked a sense of solemnity among the students. Learning about the tragic events of April 13, 1919, and seeing the bullet marks on the walls were poignant reminders of the sacrifices made during India's struggle for independence.

The Golden Temple, a spiritual and architectural marvel, was the next stop. The group was thrilled by the gleaming shrine surrounded by the serene waters of the Amrit Sarovar. The students and teachers were deeply moved by its devotional setting.

The next destination was the Durgiana Temple, a beautiful place of worship dedicated to Goddess Durga. The intricate architecture and the vibrant atmosphere added a spiritual dimension to the journey. It was an opportunity for students to learn about India's diverse religious practices and traditions. Thereafter the team headed to the Wagah Border. The patriotic fervor displayed during the ceremonial parades of

the soldiers left an indelible mark on everyone's hearts. The students were awestruck by the grandeur of the event and the sense of unity it fostered. To give a fruitful end to the excursion, the team went to Pushpa Gujral Science City situated at Kapurthala where students satisfied their curiosity and enriched their knowledge. The excursion to Amritsar was not just a sightseeing trip; it was a wonderful learning experience for both the students and the teachers. It provided a platform for cultural exchange and understanding. The sense of unity and respect for diversity that our group witnessed throughout the journey was heartening. It allowed our group to delve into history, culture, and spirituality, enriching our knowledge and fostering a deeper appreciation for the heritage of our country. This journey will be cherished as a memorable chapter in the lives of the students and teachers who embarked on it. We look forward to more such enriching experiences in the future.

गंगा इंटरनेशनल स्कूल, हिरन कूदना में हिंदी दिवस का आयोजन

हर वर्ष की भाँति इस वर्ष श्री गंगा इंटरनेशनल स्कूल में 14 सितंबर को हिंदी दिवस पर विशेष क्रियाकलाप का आयोजन किया गया। हिंदी को भारत की आधिकारिक भाषाओं में से एक के रूप में अपनाया गया है। गंगा इंटरनेशनल स्कूल ने इस अवसर को मनाने के लिए एक जीवंत और सृजनात्मक क्रियाकलाप का आयोजन किया।

'हिंदी दिवस' का उद्देश्य हिंदी भाषा के महत्व को धरोहर के रूप में प्रोत्साहित करना है। विद्यार्थियों ने इसमें उत्साहपूर्वक भाग लिया, तथा अपनी भाषाई और कलात्मक प्रतिभा का प्रदर्शन किया। दिन की शुरुआत 'सूक्ति लेखन' प्रतियोगिता के साथ हुई। छात्रों ने हिंदी भाषा के महत्व को और हमारी सांस्कृतिक विरासत को समझते हुए प्रभावशाली सूक्ति लेखन किया। इस अवसर पर विद्यार्थियों ने हिंदी के प्रति अपनी भावनाओं को अद्वितीयता से व्यक्त किया और देश के प्रति अपनी प्रेमभावना को दर्शाया और आकर्षक पोस्टर बनाए, जो हिंदी दिवस को प्रभावी तरीके से प्रस्तुत कर रहे थे। पोस्टर न केवल रंगीन थे, बल्कि यह श्री भाषा के महत्व को साबित करने वाले महत्वपूर्ण संदेश से भरे हुए थे। प्रतियोगिता में विद्यार्थियों ने बढ़ चढ़ कर भाग लिया। छात्र छात्राओं ने आकर्षित पोस्टर बनाए, विद्यार्थियों का उत्साह देखते ही बन रहा था।

Once you begin to take note of the things you are grateful for, you begin to lose sight of the things that you lack.

GO GREEN WITH RECYCLING

Recycling conserves the resources and protects the environment. It includes the collection and break down of waste materials to create something new out of it. The Eco-Club Warriors of GIS displayed their creative art and craft ideas by making flower pots, decorative items, utility boxes, photo frames and many more. They realized the importance of reusing the waste material available to them. It was a delight to see how the scrap could be transformed into such useful and beautiful article. The activity promoted artistic fervour among our future leaders.

HURDLE RACE

Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. Pre-Primary Department of Ganga International School conducted the much awaited Hurdle race on 15th September 2023 on the sprawling grounds of GIS. The morning was filled with great excitement and frolicsome atmosphere. The energetic and nimble-footed participants performed the exciting race. It was a wonderful display of agility, coordination, strength and stamina by the students.

The zealous audience, gathered there, constantly applauded the efforts of the enthusiastic young sports stars. The event continuously laid emphasis on sports in a child's life for physical and mental development. It was a day filled with sportsmanship, enthusiasm and memories to cherish.

The heart that gives thanks is a happy one, for we cannot feel thankful and unhappy at the same time.

भलाई के बदले भलाई मिलती है।

बात उन दिनों की है, जब मैं एम्स में अपनी किडनी के इलाज के लिए भर्ती था। क्योंकि दवा काफी महंगी थी, इसलिए मेरे पास रखे पैसे लगभग खत्म होते जा रहे थे और मैं गंभीर आर्थिक संकट से जूझ रहा था। मेरी एक दवा तो ऐसी थी कि मात्र 10 टेबलेट के लिए मुझे पंद्रह सौ रूपए चुकाने पड़ते थे। उस दिन चेकअप करने के लिए डॉक्टर साहब आए और अचानक मेरी दवा बदल दी। मेरे पास उस दवा के पंद्रह टेबलेट बचे हुए थे। मेरे तो होश उड़ गए कि डॉक्टर साहब ने जो दवा लिखी है, उसे कैसे खरीद पाऊंगा। इससे ज्यादा मैं परेशान था कि शेष दवाई के पैसे बर्बाद हो गए। मैं परेशान हाल अपने बिस्तर पर लेटा था, कि अचानक सामने वाले बिस्तर पर एक मरीज को लाया गया। जो मुझसे ज्यादा चिंतित दिखाई दे रहा था। क्योंकि मेरी और उसकी बीमारी एक ही थी, इसलिए मैं उससे बातचीत करने लगा। बातचीत के क्रम में उसने बताया कि डॉक्टर साहब ने महंगी दवा लिख दी है और मेरे पास उसे खरीदने के लिए पैसे नहीं हैं। मैंने पर्चा देखा तो पाया कि, मेरे लिए बेकार हो चुकी दवा इसमें लिखी है। बस मैंने मन ही मन निर्णय ले लिया और उस व्यक्ति को 18 टेबलेट देते हुए बोला, तुम्हारे कुछ दिनों का इंतजाम हो गया। अब मैंने खुद की मदद के लिए अपने परिचितों को फोन लगाना शुरू किया और सबसे पहले एक परिचित डॉक्टर को फोन लगाया। फोन रिसीव करते ही उन्होंने मेरी हालत पूछी। मैंने उन्हें सारी बात बताई। इसके ठीक एक दिन बाद ही मेरे पास उन डॉक्टर साहब के सौजन्य से 45 दिनों की दवा पहुंच गई। तब मैंने जाना, 'कर भला तो हो भला'।

गर्मी का आतंक

गर्मी का ये आतंक छाया है।
धूप ही धूप है न छाया है।

है पड़ी मार लू की भारी है।
आँकड़ा मौत का बढ़ाया है।

क्यों सूरज को ये गुस्सा आया है।
सारा वन आग से जलाया है।

खाक में झोपड़ी मिला डाली।
ये गदर गर्मी ने मचाया है।

पड़ गए लू के जब थपेड़े हैं।
धरती पर पेड़ को सुलाया है।

चल रही साँय-साँय करती लू।
लोरी गा मौत को बुलाया है।

गिर गया राह में मुसाफिर है।
बिन पिए पानी तड़फड़ाया है।

आ गए उड़ के रेत के टीले।
जो फँसा रेत में समाया है।

पैर में ढेर पड़ गए छाले।
हर कदम चीखते बढ़ाया है।

बह रही धार है पसीने की।
जल नदी से गोया चुराया है।

नाक में दम किया है गर्मी ने।
अब आदमी-आदमी
छटपटाया है।
