Dear Readers,

GREETINGS ON INDEPENDENCE DAY & RAKSHA BANDHAN

August is the month when the heart overflows with immense love for the motherland and gratitude towards the brave freedom fighters who sacrificed their lives for our freedom. To love one's nation beyond oneself is perhaps the purest expression of devotion. In the temple of learning, where values are not merely taught but nurtured through meaningful experiences and practical training, the GIS campus resonated with the patriotic spirit of **'Mera Bharat Mahan, Mera Mulk, Mera Vatan'**. The celebration of Independence Day is marked with hoisting of the National Flag, followed by a vibrant programme filled with patriotic fervour and pride. It inspires our students to uphold the values of unity, integrity and service to the nation. It brings the school community together in a spirit of synthesis, collaboration and collective responsibility celebrating the strength of a united India. I hope that as we turn the pages of this issue, may we continue to inspire our students to think with purpose, create with confidence, respect their roots, cherish their freedom and contribute meaningfully to society. Let us cherish our freedom, respect our heritage and work together to build a stronger and brighter India. The festival of Rakhi enforces the strong bonding between a brother and a sister. I feel glad to convey my heartfelt greetings to everyone to fill our hearts with love and affection on this auspicious festival.

The activities of the month reflect a beautiful blend of wellness, heritage, thought, creativity and patriotism and to know self-identity. A range of activities emphasise upon building strong character and nurture the talent of our pupils. The representation of our school students in CBSE Central Zone activities and Delhi State Games would surely help in building their physical and emotional endurance. Moreover the primary, middle and senior wing of the school conducted a variety of activities in which the reflection of enthusiasm of the students is beyond words. Inter- House Yoga Competition, Inter-Group Dance Competition, Inter-Ganga Vlog-Verse Competition, Inter- House Role Play Competition explored the creative potential of the students.

I wish good luck for our children to be strong enough to serve our nation.

Dear Students, Parents, Teachers & Well-Wishers

Warm Greetings on Independence Day

On this precious occasion of celebration, it gives me immense pleasure to express my deep sense of pride and gratitude towards our nation. As educators, we recognise our responsibility towards our school, community & country and strive to nurture these values in our students. The same spirit of patriotism, responsibility and compassion is beautifully expressed through the performances of our students as they learn to capture the good values in their thoughts, expression and meaningful actions.

In today's digitally driven world, it is imperative for our young learners not only to acquire knowledge but also to use technology as a powerful platform for awareness and positive change. Our students showcased their creativity by exploring significant themes such as sustainability and its importance for individuals, society and the nation. Their efforts remind us that a nation progresses when its children are nurtured in the right direction—with knowledge, values, confidence and purpose. Every achievement of our students reflects their perseverance, confidence and determination as well as the collective efforts of parents, teachers and the entire school community. Together, we nurture young minds to dream fearlessly, strive purposefully and emerge as confident individuals ready to make a meaningful contribution to society and the nation.

I sincerely salute all those who stand at the forefront to safeguard our nation and honour their unwavering commitment. It is my earnest wish that we inculcate the spirit of 'Nation First' in our students—a spirit that inspires them to serve the nation, care for their family and in doing so they become better individuals. Alongside patriotism and social responsibility, we must also nurture the well-being of our students. Yoga, with its emphasis on balance and mindfulness helps harmonise the body, mind and spirit. Let us continue to empower our children with knowledge that enlightens, values that strengthen and dreams that inspire. May they grow into compassionate, confident and responsible citizens who contribute meaningfully to the progress of our nation.

I convey my greetings on the festival of Rakshabandhan and wish you all to cherish this joyous festival.

Best Wishes

Swati Joshi

SUCHETA KRIPLANI A PIONEER OF COURAGE AND LEADERSHIP

"The true strength of a nation lies in the courage and determination of its people."

India's freedom struggle was shaped by countless brave men and women who dedicated their lives to the nation. Among these remarkable personalities was **Sucheta Kriplani**, an inspiring freedom fighter, social reformer and stateswoman whose unwavering commitment to justice and equality left a lasting mark on Indian history.

Born on **25 June 1908** in Ambala, Sucheta Kriplani was educated at Indraprastha College and St. Stephen's College, Delhi. Before joining politics, she worked as a lecturer, but the call of the freedom movement inspired her to dedicate herself to the service of the nation. She actively participated in the **Quit India Movement (1942)**, worked tirelessly for the Indian National Congress, and fearlessly supported the cause of India's independence despite facing numerous challenges.

One of her most memorable contributions came on the historic midnight of **15 August 1947**, when she sang "**Vande Mataram**" in the Constituent Assembly to celebrate India's freedom. She was also deeply involved in relief

and rehabilitation work during the Partition, helping displaced families rebuild their lives with compassion and determination.

Sucheta Kriplani continued serving the country after Independence. She became **India's first woman Chief Minister**, leading the state of Uttar Pradesh from **1963 to 1967**. Her tenure was marked by integrity, discipline, and

strong administrative skills. She proved that women could lead with vision, courage and efficiency, breaking barriers in Indian politics.

Throughout her life, Sucheta Kriplani championed democracy, women's empowerment and public service. Her leadership, resilience and patriotism continue to inspire generations of young Indians to work selflessly for the nation's progress.

Sucheta Kriplani's life reminds us that true leadership is built on courage, compassion and a commitment to the greater good. EXPRESSIONS

THE MOMENT I CHERISH THE MOST

Cherishing is holding close
the moments time would steal—
a gentle laugh, a quiet touch,
a heart that made us feel.
It is finding beauty in the days
that seemed too small to keep,
the morning light, the evening calm,
the dreams we carried deep.
To cherish is to pause and say,
“This moment matters still,”
to treasure every whispered word,
each kindness, every thrill.
For life is made of fleeting things,
of memories warm and bright;
and those we truly cherish
turn passing days to light.

TRUE MEANING OF FREEDOM

Freedom does not mean doing what
we please,
It means living with respect, justice,
and peace.
It is the right to speak and choose,
While respecting the rights others
cannot lose.
True freedom comes with
responsibility,
With kindness, courage, and equality.
It means helping those who are
in need,
And standing against injustice with
good deeds.
We are free when every person
can grow,
When love and respect freely flow.
So let us use our freedom wisely
and right,
To make our world peaceful, fair,
and bright.
